#2 - Subscription Cost

How many technicians and/or crews do you schedule? That's how many "licenses" you need.

- Increase or decrease licenses at any time*
- Unlimited office users completely FREE
- All **installation, setup, training, and upgrades** are FREE

What To Expect: Installation & Training

Our goal is to get you trained and using the program three weeks after your install.

After you order on our website (www.HindSiteSoftware.com) you'll get a call from your Account Manager, who will schedule you with your dedicated Trainer. You'll work with your Trainer until the software is set up, and you and your staff are trained and using HindSite.
